

Specialist Rugby

PROGRAM

The Thornlie Senior High School Specialist Rugby Program is a high-quality rugby union program that is offered to Year 7 to Year 12 students.

A broad wholistic approach to our rugby program emphasises a safe learning environment, inclusion for ALL students, and learning the values of excellence both on and off the field. Students are challenged individually and within a group setting both mentally and physically in order to achieve their best outcome.

AIMS OF THE PROGRAM

The Specialist Rugby Program at Thornlie Senior High School aims to develop individual practical and theoretical skills relating to all Rugby codes.

We also focus on the development of physical performance capabilities and aspirations and values to the highest level possible to realise individual potential. One of the goals for students is to achieve higher playing honours for Representative levels for School Boys', State Age Groups and Western Force Academy Players.

The development of personal values is strongly emphasised throughout the program. We aim to strengthen students' self-esteem, optimism and commitment to personal fulfilment. Character building qualities such as sportsmanship, personal responsibility and self-discipline are emphasised in every part of the course.

In keeping with this, students are expected to maintain high personal standards of attendance, behaviour, and achievement at Thornlie Senior High School.

STRUCTURE OF THE PROGRAM

Students enrolled in the Program will be allowed to play for Thornlie Senior School teams in the Rugby WA Secondary Schools and NRL WA competitions. They will also be offered the chance to represent the school in Touch Rugby and Flag Football competitions.

We have a very close relationship with Rugby WA, NRL WA and many local clubs.

Rugby students will receive expert coaching from the Thornlie SHS staff, Rugby WA, NRL WA Development Officers and guest coaches/speakers through practical and theoretical lessons.

Students who show commitment and persistence in achieving their best will be offered a place in the TSHS Strength and Conditioning Program conducted in our fully equipped gym on campus and targeted towards long-term athletic development. All sessions are provided by highly qualified strength & conditioning specialists.
