

Financial Information for Families 2026

Dear Parents/Carers

To all new and existing parents and carers, welcome to Thornlie Senior High School. Your support is greatly appreciated, and we look forward to having your family as part of our school community.

Please find enclosed a breakdown of the Voluntary Contributions and Compulsory Charges payable to Thornlie Senior High School for your child/ren in 2026. All Voluntary Contributions and Compulsory Charges in our school have been scrutinised and approved by the School Board.

Parents are advised that all funds from these payments are spent directly on items such as textbooks and equipment that benefit students and their learning. Every effort has been made to keep costs at their lowest possible level.

We have been delighted with our past response from our parent body in this matter and look forward to your continued support. This will help us maintain high-quality educational programs for the students at Thornlie Senior High School.

It is with this in mind that I ask for your support in paying the levied contributions and charges. Your contribution helps our school work in partnership with families and the community to deliver an excellent education to your child.

I thank you for your support of our school. Best wishes to you and your family for the festive season and holiday period.

Erin Baker

SCHOOL POLICY

The school recognises that the socio-economic background of many families requires special consideration. The school's costing structure and tight budget rely heavily on prompt payment of school Voluntary Contributions and Compulsory Charges. Prompt payment also minimises administration time and costs involved in following up on outstanding charges.

1. Accounts will be posted to parents at the beginning of the year.
Reminder statements will be posted during the year or emailed to families where an outstanding amount is owed.
2. Parents/carers are encouraged to contact the school's Finance Officer if they are experiencing difficulties paying Voluntary Contributions and Charges by the due date. Payment arrangements can be negotiated and established.
3. Where parents/carers fail to respond to communications and/or a payment plan is not in place, a Collection Agency will be engaged to recover the outstanding charges for the previous year/s.

Full payment of Compulsory Charges must be made by Thursday 2nd April 2026.

CONTRIBUTIONS & CHARGES EXPLAINED

All Voluntary Contributions and Compulsory Charges assist in providing an educational program that meets the requirements of the Curriculum and complies with the guidelines issued by the Department of Education and the School Education Act 1999 (WA).

The school community is appreciative of the financial support given by parents and carers which enables staff to continue to offer quality educational programs, at the lowest possible cost to families. The School Board approves and endorses the level of voluntary contributions, compulsory charges, extra cost optional components and voluntary approved requests.

Please note that charges will roll over every year. If you are having payment difficulties, please contact the Finance Officer to arrange a payment plan on 6235 7900.

Compulsory Charges

Compulsory Charges must be paid. Compulsory charges from Years 7-10 are applied to elective subjects which students have selected, and parents/carers have approved. Years 11 and 12 are considered post-compulsory and therefore all charges are considered compulsory.

Full payment of Compulsory Charges must be made by Thursday 2nd April 2026.

Voluntary Contributions

Voluntary contributions requested from parents go towards the cost of materials, services and facilities used by Year 7 to 10 students. A breakdown of how these funds are used is detailed further in this booklet.

Other Optional Costs

Building Fund (\$25.00):	This is tax deductible. It contributes to improvements to school buildings and grounds eg. Canteen quad, classrooms, and facilities. Should you wish to claim this at tax time, please retain your Contribution & Charges sheet or request a copy of your receipt.
Literacy & Numeracy support (\$15.00):	Thornlie SHS utilises online testing platforms to assist in the identification of literacy and numeracy deficiencies of students. The results of these tests are used to design the implementation of targeted intervention strategies to enable students to improve their literacy and numeracy skills to achieve Category 3 in all OLNA assessments (Reading, Writing & Numeracy). Students require this to achieve WACE at the end of Year 12.
Yearbook (\$35.00):	This is the annual publication that highlights the year in review of events that have occurred throughout the year. This book will be available for collection in Term 1/2 once they are received from the printer. Families will be notified when they are ready. If you only require one book per family or do not want a Yearbook, please advise the Finance Officer.

Voluntary Approved Requests

The school does not receive funding for these services and relies on family contributions. To assist in meeting the cost of other services offered to students, the school requests families to contribute to these:

Reprographics	This goes towards the costs associated with publications and other communications sent out to families throughout the year.	\$25.00
Library	Provides students access to the library and additional resource materials that can be borrowed and utilised.	\$50.00
Health and Student Services	Provides for the purchase and cleaning of loan uniforms pool that aligns with the school dress code policy. It also provides additional medical supplies including cold packs, first aid and other items for students' wellbeing. Student reward activities and peer support programs benefit from this provision.	\$20.00
P & C Association	Provides annual membership of the Parents and Citizens Association and a contribution towards school programs.	\$20.00

OTHER COSTS

Extra Cost Optional Components

These are voluntary activities in which the parents/carers or students make a selection to participate, e.g., social events, camps, carnivals, etc. A full list of these can be found on page 13. Please note that the prices provided are an indication of the maximum amount parents would be expected to pay; organisers will negotiate the best possible price for students.

Department of
Education

GENERAL INFORMATION

The Western Australian Government through the Department of Education provides an allowance to assist eligible families with secondary schooling costs.

Parents/guardians must apply for the Secondary Assistance Scheme (SAS) each school year (annually) – applications do not carry forward to future years.

To be eligible for the allowance the parent/guardian must hold a Services Australia (Centrelink) or Veterans' Affairs card that represents a statement of income for the family.

The allowance consists of two components:

- \$115 Clothing Allowance paid directly to the parent/guardian or the school.
- \$235 Educational Program Allowance paid directly to the school.

Application is made by the parent or guardian for student/s enrolled in Years 7–12 studying a full-time secondary course at a Western Australian public school.

ELIGIBILITY CRITERIA

Parent or Guardian must hold one of the following cards:

- Centrelink Health Care Card
- Centrelink Pensioner Concession Card
- Veterans' Affairs Pensioner Concession Card

Please Note: The only Veterans' Affairs Card that meets the criteria is a blue card that is issued annually and expires in December each year. This card is income means tested.

The parent/guardian must be the holder of a card that is valid sometime during first term. Students must be listed on claimant's card (except for some year 11 and 12 students, or in cases of disability/health reasons). In this instance, the school must sight both concession cards. The only exception to this is when a student holds their own health care card and has been declared independent by Centrelink (e.g. Living Away from Home), in which case a letter of confirmation from Centrelink must accompany the application. The concession card must not be expired when applying for SAS.

Parent/guardian must not be a foster parent.

Student must be attending school.

The allowance is paid up to and including the year the student turns 18 years of age i.e. students born in 2007 or before are ineligible in 2026.

APPLICATION FORMS

Application forms should not be altered and are to be completed at the school or emailed during Term 1 only. If completing an application via email and/or signing the application electronically, applicants must also email a copy of both sides of their concession card with the

application to the school. If the application form is completed prior to the commencement of Term 1, the school must complete the enrolment confirmation section to confirm attendance (forms dated by the school prior to Term 1, 2026 will not be accepted). Please ensure you keep a copy of the signed form for school records.

Personal information collected will only be used for the purpose of managing the SAS. The Department will not disclose your personal information for any other reason.

LATE APPLICATIONS

Late applications will only be accepted in extenuating circumstances and must be accompanied with a written explanation.

Eligible interstate or overseas students who are enrolled after first term may apply for the allowance. Date of enrolment must be noted on the application.

CONTRIBUTIONS AND CHARGES

Schools will receive the Educational Program Allowance of \$235 for SAS recipients. This will be applied towards education program charges in the first instance, with any residual to be applied to the voluntary contribution (for years 7 to 10) or as negotiated with the parent/guardian (for years 11 to 12).

CLOTHING ALLOWANCE

The clothing allowance of \$115 will be paid to the parent/guardian unless indicated on the application form that you wish for it to be paid to the school. If payment is to be made to the parent/guardian, the payment will be deposited into the nominated bank account. It can take between 8 to 12 weeks to receive this payment.

PROCESSING OF PAYMENTS

Applicants must submit the completed form to their school with their concession card. The school must check the form for accuracy, view the concession card and witness the application. Schools will then submit applications to the Financial Planning and Resourcing Directorate for processing via:

- electronic file (via email) whilst retaining the **original application form at the school**

or

- posting the **original application forms** retaining a copy for the school records.

If you change any of your details supplied on the application form, please notify us as soon as possible on 9264 4516.

We will endeavour to have all clothing payments made to the parent/guardian by 31 May 2026.
