THORNLIE SHS
ENGAGE INSPIRE ACHIEVE

Dear Year 6 Parents/Guardians

This package of materials provides the necessary information for you to complete the Enrolment Application for your child to enter Year 7 in 2027 at Thornlie SHS.

Our approach to Year 7 ensures that every student reaps the benefits of subject specialist teaching and builds the foundations for academic success in high school. The Year 7 Coordinator and Program Coordinator focuses on meeting the unique pastoral care needs of our Year 7 students.

With the exception of our successful Academic Extension Program, our classes are mixed ability groups, and we use a case management approach to ensure that all students reach their academic potential.

Year 7 students study English, Humanities & Social Sciences (HASS), Science, Mathematics and a compulsory selection of:

- Visual Art / Performing Arts
- Home Economics / Design & Technology
- AUSLAN / Japanese
- Digital Technologies

More detailed information about these subjects and electives can be found in the Year 7 Prospectus located in this package and on the school's website www.thornlieshs.wa.edu.au.

Each student at Thornlie SHS is placed in a Home Room group with whom they remain from Year 7 - Year 12. These pastoral care groups meet four times per week. The Home Room group and their assigned teacher stay together for the duration of their enrolment at the school, this approach ensures that each student develops strong pastoral connection with their Home Room teacher over time and a strong sense of belonging to our school community is developed.

Please return the completed Enrolment Form and supporting documents to Thornlie Senior High School by Friday 3rd July 2026. You will be notified once your application has been processed. Please note that a $100 deposit is required once your application has been processed and approved. Parents are welcome to organise a payment plan to assist with budgeting. Please contact the Finance Department at Thornlie Senior High School to arrange.

There are opportunities for Year 6 students and parents to visit the school during Term 3 & 4. In the meantime, however, you are very welcome to contact the Enrolment Officer (08) 6235 7900 for further information.

We look forward to supporting you and your child throughout their transition into high school.

Dennedy

Yours sincerely
Dee Kennedy
Principal
