UNIQUE STUDENT IDENTIFIER NUMBER (USI)

A USI is a reference number that creates an online record of your training and qualifications attained in Australia. Your USI links to an online account which contains all your training record which you have completed from 1st January 2015 onwards.

One of the main benefits of having a USI is having easy access to your training records and transcripts. When applying for a job or enrolling in further study, you often need to provide these records. You will be able to access your USI account online anytime from your computer, tablet or smart phone.

Once you create your USI you will be able to:

- Give your USI to each training provider you study with
- View and update your details in your USI account
- View and download your training records and transcripts
- Manage which training providers can view your transcripts

To register and obtain a USI number please go to www.usi.gov.au and follow the instructions then print the USI in CAPITALS in the boxes below (please make sure that letters/numbers are written clearly).
